Swim Scheme
Monday 28th October to Friday 8th November 2013
From 12.15pm – 1.45pm
Alstonville Swimming Pool.

Dear Parents/Caregivers

All students are expected to participate.

Pool entry (including Ballina Council subsidy) will be $26.00
The Wardell P&C will be subsidising the bus travel for the swim scheme.
It is essential that we have parent helpers every day, specifically to work with the K/1 children in the smaller pool (you will have to get in the water with the children). The Department of Education & Training does not supply teachers to work with these children, but requires that we supply one adult per five students. We will also require one or two parents to help with the competent swimmers. If we do not get the required number of helpers each day, we will be forced to leave the K/1 children at school – this would be unfortunate.

(Please keep these dates in mind, as we will be sending home a specific request soon)

Kindergarten and Year 1 students will have a program of water confidence and those who are ready will begin formal lessons.

Years 2 to 6 who are non-swimmers, or who are unable to swim 25m competently in deep water will receive instruction from qualified Austswim instructors and school staff.

Children who are confident swimmers – can swim more than 25m – will undertake the Royal Lifesaving Society program in rescue, survival, stroke correction and work on increasing their stamina.

Please note that the 10 Day program is part of the school curriculum (Health, Personal Development, Physical Education) and it is expected that all children will attend.

Children who are too sick to swim should stay at home (come to school at 11.45) as there will be no supervision for anyone to stay back at school AND staff at the pool are unable to supervise students OUT of the water when they are fully occupied with their group IN the water.

Please sign the attached permission note and forward payment to the school office.
